

Save our forest!

The North Gwillimbury Forest is one of the 10 largest forest areas remaining in the Lake Simcoe watershed. Now Metrus Developments wants to build a 1,073 home subdivision in the heart of the forest!

Metrus' subdivision would be built within a provincially significant wetland that cleans and protects water flowing into Lake Simcoe!

Deer: Irving Himel

North Gwillimbury Forest Alliance | 1-866-675-7792
